McDonald's restaurant owner to be honored by Junior Achievement

Carol Mueller, owner and operator of 16 McDonald's restaurants, will be honored at Junior Achievement of Northeastern Pennsylvania's 24th Annual Business Hall of Fame Awards Dinner. Carol Mueller and her husband, Albert, have been involved in the McDonald's system for almost 40 years.

As a McDonald's owner/operator, Mueller has had the opportunity to make a positive impact on the lives of many young people in the area. She is known for her ability to motivate young people and help them succeed at whatever endeavors they choose.

Mueller plays an active role in many community organizations, including her role as co-founder of the Ronald McDonald House in Scranton and co-chair of the annual Ronald McDonald House fundraiser, "The Gourmet Gala." In addition to her commitment to Ronald McDonald House, Mueller serves as an advisor on the board of Keystone College and the American Red Cross.

In addition to Mueller, Junior Achievement will also be honoring Max Bartikowsky of Bartikowsky Jewelers and Earl C. Berger, of Berger Family Dealerships, Inc. The recipients of the 2011 Entrepreneur of the Year award will be Scott Lynett, George Lynett Jr., Bobby Lynett and Matthew Haggerty all of Times-Shamrock Communications.

Junior Achievement's 24th Annual Business Hall of Fame Awards Dinner will be held on Wednesday, May 25 at the Woodland's Inn & Resort in Wilkes-Barre. Junior Achievement's Business Hall of Fame celebrates the achievements of business leaders whose extraordinary efforts have enriched our northeastern Pennsylvania community. Junior Achievement's 24th Annual Business Hall of Fame will be presented by Chesapeake Energy Corporation. For reservations, advertising or sponsorship information, please call 570.602.3600 or email bvitosky@janepa.org.

Junior Achievement is a not-for-profit organization that relies on volunteer and financial support from the community in order to teach local students about work readiness, entrepreneurship and financial literacy. For more than 40 years, Junior Achievement has been helping young people in Northeastern Pennsylvania prepare for the real world and inspiring them to achieve their dreams.
