May 22 Student art adorns JA Mericle Center

Young students from Arts YOUiverse worked hard over the past few months to create beautiful paintings that are now displayed at the JA Mericle Family Center for Enterprise Education in Pittston Township. "The paintings are beautifully crafted by such young artists, I am impressed by their talent and am excited that other students in the area will have a chance to see them", said Paul Francis, Senior Program Director of Junior Achievement of Northeastern PA, Inc.

This year, approximately 7,500 students will visit the Center to participate in JA BizTown or JA Finance Park.

For more information about Arts YOUiverse please visit http://www.artsyouiverse.com/.

If you are interested in viewing the paintings please call Junior Achievement, 570-602-3600.
